

Host The Hottest **GOLD PARTY** In Town...

A Gold Exchange *Party!*

"You invite the guests, we do the rest!"

- Earn extra income in just hours!
- Have fun with your friends while you make money!
- Create your own part-time business!

"Gold Parties are a fun way for friends, family, co-workers and neighbors to get together, sell their old jewelry and get paid immediately!"

Here's how a **Gold Exchange Party** works:

- 1** Everyone brings their broken, old, unwanted or out-of-style jewelry to sell at your party.
- 2** You entertain your guests while a Gold Exchange USA representative weighs, tests and prices your guests' gold jewelry – and pays them on the spot!
- 3** You'll earn 10% of all purchases plus...a generous food and beverage allowance as well as referral fees for any future parties booked by your guests!
